-----  
----- Air Quality Department Complaint Form -----

Reference Number: 2015101597521141

Business Name: Hickman's Egg Ranch Arlington Complex

Violation Address: Salome Road and Ward Road

Major East/West: Salome Road

Major North/South: Ward Road

On the: SW Corner

City: ARLINGTON

Violation Description: I live 2.5 miles west of Hickman's Arlington Manure Processing plant. At approximately 11am this morning, while I was loading my truck for a trip, a strong smell of ammonia and fecal matter blew in across my property from the direction of Hickman's. I can also observe a brown haze sweeping in from the same area. This emission of ammonia and fecal odor and the release of smog-like dust and gases is a violation of Hickman's air permit 040126 which clearly states in Specific Conditions 3 (odor control) No person shall emit gaseous or odorous air contaminants from equipment, operations or premises under his control in such quantities or concentrations as to cause air pollution. As a result of this release of air pollution I had to close the windows of my home to keep this pollution from invading the interior of my house. My having to take this action means that Hickman is clearly in violation of part B of the specific conditions which states; Material Containment Required: Materials including, but not limited to, solvents or other volatile compounds, paints, acids, alkalies, pesticides, fertilizer and manure shall be processed, stored, used and transported in such a manner and by such means that they will not unreasonably evaporate, leak, escape or be otherwise discharged into the ambient air in such quantities or concentrations as to cause air pollutions smells, aromas or stenches commonly recognized as offensive, obnoxious or objectionable to a substantial part of a community. I will be leaving on my trip Friday morning and will not return until Monday, so I would like to be given a complaint number sometime before the end of today if possible. If you cannot call me to give me the complaint number before the end of today then please email me the complaint number and I will put it with my records when I return on Monday.

Date: 10/15/2015 Time: 11:00
